## WELCOME FROM AWN PRESIDENT

The life of an expatriate is extraordinary. We experience multiculturalism and adventure on a daily basis. It can also be challenging. To live far away from our families is difficult. Consequently, we make friends quickly and they become like family to us.

Part of the reason that we are able to connect with people as fast as we do is that expats have a lot in common. We tend to be tolerant of other cultures, love adventure and travel, and want to learn about the amazing places in which we live.

Being an expat also means we are, for the most part, transient. Most of us are only here 3-5 years. Therefore, we say good-bye too often to those dear friends that we have come to love.

This month, we are saying farewell to our dear co-president, **Carolyn Neubauer**. Carolyn has served AWN faithfully over the last three and a half years; first as philanthropy chair and then as co-president. We are so grateful for all her service. Carolyn and her husband, Kurt, are moving back to Chicago for Kurt's work. We will miss them dearly and wish them the very best.

Please join us in saying good-bye to Carolyn at her last AWN meeting on January 10th. I know she'd enjoy seeing all of you.

In December, the AWN board elected **Sara Healey** as the new co-president. Sara has served AWN as bridge coordinator, bridge instructor and chair of Membership Services over the last two years. Please join me in congratulating Sara on her new role with AWN.

The board also voted in **Shivani Wanchoo** as the new secretary. Shivani has served as both Mahjong Coordinator and Bridge Coordinator for AWN. We are excited to welcome Shivani to her new role.

We hope to see you at a Speaker Series Meeting in January (this month on the 10th and the 24th) or at any of the many activities that we offer our members.

Happy New Year!

Birgitt Adams  
AWN Co-President

Whilst this fascinating tale of regional history is open to us all from now until February, we believe it will be well worth the wait until late January for our own private guide to bring it alive and of course, answer all your questions! No doubt, we'll follow on at the café, taking in the lovely waterside views and some coffee or lunch.

To reserve your place please sign up at the coffee morning or email [explorersawn@gmail.com](mailto:explorersawn@gmail.com).

Our guide will take us on a 2-hour tour in 4WD air-conditioned cars to show us ancient caves, fossils, tombs and palace ruins. Join the first Culture Club gathering of the year to discover more about the long and complex history of a symbol that, today, is associated with the Second World War. Everybody is welcome to share what they know about this misunderstood symbol by giving examples from their own country.

Abu Dhabi is honoured to announce that it will host the Bayreuth Festival's international opera debut of Richard Wagner's The Valkyrie. The Bayreuth Festival is renowned for its outstanding performances of the 19th-Century German composer Richard Wagner's operas, performed in a special theatre, the Bayreuth Festspielhaus, designed by Wagner himself, so that he could produce his own works. The Bayreuth Festival's acclaimed productions receive over 500,000 ticket requests each year with only 60,000 tickets available and a waiting list of up to 9 or 10 years. As a result, Bayreuth Festival fans can eagerly anticipate the opportunity to purchase tickets for a once-in-a-lifetime opportunity to see this spectacular production in the UAE's capital, performed for the first time ever outside of Germany.

## HAPPENINGS IN ABU DHABI

### WOMEN'S HERITAGE WALK

#### ★ 2019 WOMEN'S HERITAGE WALK

February 1 - 5, 2019

The WHW has grown into an annual event recreating an Emirati migration of families moving between Abu Dhabi and Al Ain.

The Women's Heritage Walk from Abu Dhabi to Al Ain is an annual 125 km female-only trek that was launched in 2015 by American author and Clinical Counselor Jody Ballard, and she now continues to grow the walk alongside her Emirati partner, Asma Al Mutawa, who is a prominent cultural & literature advocate. The Walk is a heartfelt tribute to the women of the United Arab Emirates who helped shape the nation and focuses on 4 important pillars: women's encouragement, culture and heritage, health and wellness, and community building.

50 ladies of different nationalities set out each morning of the walk before the sunrise to brave the desert and complete a full 25 km distance by sunset. The diverse group relishes culinary journeys of traditional food, takes part in rich cultural and heritage activities, learns about the history and desert life of the UAE and camps under the stars in a secured authentic Bedouin campsite.

The Women's Heritage Walk has evolved into an incredible sand sisterhood that grows stronger with each passing year.

Learn more about the event and apply to become a 2019 Sand Sister on [womensheritagewalk.com](http://womensheritagewalk.com)!

### NYU ABU DHABI

#### ★ LECTURE: THE SUBMERGED WORLD OF THE ARABIAN GULF

January 28, 2019 | 6:30-8 p.m.

**Venue:** NYUAD Campus, Conference Center

The seabed around the world has proven to be an archaeological treasure trove, consistently yielding items that are rewriting history books and filling museums. The Arabian Gulf has one of the longest and richest seafaring traditions anywhere in the world. Prior to 8,000 years ago sea levels were considerably lower and the land to the north of the Emirates was an open and potentially fertile landscape. This landscape is an untapped resource, offering the prospect of not only ancient wrecks, but discoveries from the distant prehistoric submerged landscape of Abu Dhabi. This talk delves into the intricacies surrounding the Arabian Gulf as it relates its' position as an archaeological treasure.

**Speaker:** Richard Cuttler, Archaeologist, Historic Environment Department, Department of Culture and Tourism (DCT)

**Hosted by:** NYU Abu Dhabi Institute

**OPEN TO THE PUBLIC**
